

New Teacher Grants

About the program

Congratulations! Welcome to your first day of school! Do you remember as a child how excited you were to get your school supplies? There is just nothing better than a new box of crayons and a brand new notebook. TFAE wants to give you that same excitement. We recognize that there is a lot of “stuff” necessary to get a classroom ready for students. We have created this grant program to help stock your classroom. Teachers who meet the criteria can submit one grant application for up to \$500.

Who can apply?

Any **fully certified** Terrebonne Parish public school art, music, physical education, Pre-K–12 teacher, librarian and/or guidance counselor employed full-time by the Terrebonne Parish Public School System who is directly involved in the instruction of children and who meets one of the following criteria. **If you received a new teacher grant within the last three years, you can not apply this year!**

The teacher is considered new if she/he meets one or more of the following conditions:

- new to the TPSD system
- new to a subject area
- new to a grade level
- new to a school

Allowable Expenditures

Paper, pens, pencils, bulletin board materials, storage containers, markers, crayons, dry erase boards, calculators, etc. Items that are necessary to get your classroom up and running. This grant cannot be used to purchase technology for the classroom.
